Dear FNAME LNAME,

I hope you won't need to take advantage of your Reservation Rewards Travel Protection benefits, including **Trip Delay Protection, Baggage Delay & Loss Protection and Credit Card Loss & Theft Protection.** Still, it's reassuring to know that as a Reservation Rewards member, you are automatically protected whenever you travel, anywhere in the world.

That's why I wanted to remind you about 3 programs that are protecting you every time you travel and one that's also at work while you're at home.

TRIP DELAY
Say your flight is delayed 12 hours and you need to stay in a hotel overnight. You're covered up to $100.00! Suppose you need to take local transportation to and from your hotel? Unless you're going by limousine, you're covered!

Imagine for a moment that you need to eat dinner the day of the delay and breakfast the next morning. You're covered! What if the reason for the delay is that you lost your passport? You're still covered! As you can see, coverage of any one delay per trip and up to $500.00 per year from Reservation Rewards reduces the inconvenience and the expense of travel delays.

MISSING OR DELAYED BAGGAGE
Picture this: you get to your destination and 12 hours later, your checked baggage still hasn't arrived. While your luggage may eventually catch up with you, you will need to buy clothes and sundries right away. While the airlines do offer some reimbursement for delayed baggage, Reservation Rewards covers your reasonable expenses beyond what the airlines offer you, up to $250.00 per year.

Now suppose your baggage is lost forever. We'll cover expenses NOT covered by the airlines, up to $250.00 per trip and $500.00 per year.

LOST OR STOLEN CREDIT CARDS
Ever wonder what would happen if your credit or debit card was lost or stolen, or your credit card number fell into the wrong hands? Whether you're traveling or at home, online or offline, Reservation Rewards will cover you for unauthorized charges, for up to your limit of liability, up to $1,000.00 per year.

That's not all!

You're also covered round-the-clock with nationwide ROAD & TOW PROTECTION ONCE YOU REGISTER YOUR VEHICLE and activate your 24-Hour Road and Tow Protection.

Sincerely,
